Linda has served the housing needs of individuals and families in Cape Girardeau county and surrounding areas. Serving the community has given her an understanding of all aspects of the real estate market...homes, price ranges, school districts, taxes, and places of worship. To Linda, current market conditions are more than just statistics; they must be analyzed with the customer's individual needs in mind. She can and will do that!

Linda does not forget her clients when she goes home--whether buying or selling, Linda's clients usually become her lifelong friends. They find Linda down-to-earth, patient and understanding--she cares about what is important--the customer's needs.

Linda Eyler has early ties to the local area; she was born in Southeast Missouri and has lived in the immediate area for the past 12 years. Her Bachelor of Science degree in Business from Southeast Missouri State University is very much an asset to her real estate skills. As a result Linda was a Million dollar producer in her first full year and is still going strong in her six years as a professional real estate agent. She is a member of the CENTURY 21 Masters Club and has been recognized by the National Association of REALTORS®. During her real estate career she has spent numerous weekends hosting an open house for her clients and is willing and able to work the off hours for your convenience.

Linda's first priority is meeting your real estate wishes. In her free time you will find Linda enjoying the outdoors-- --jogging, biking, gardening, etc. Linda has two children and two grandchildren.

JOHNSON'S HISTORY OF NEBRASKA 289

One night in April, 1861, two men named Bouve and Iler went to a stable near the military bridge in Omaha, and taking a horse apiece, rode twelve miles into the country to a Mr. Geo. C. Taylor's place, on Big Papillion Creek, at the crossing of the old California road. Tying their horses, they entered the house, the lower part of which was used as a bar-room, in which they found the hired man, sleeping. This man they bound securely with a lariat, and then helping themselves to what liquor they wanted, they proceeded up stairs, cocked revolvers in band, to Mrs. Taylor's room (Mr. Taylor being absent) of whom they demanded the money and valuables of the house.

Bouve was very abusive and ugly, threatening several times to take Mrs. Taylor's life, and was only prevented from doing so by his comrade, Iler. After securing all the booty they could find--some ten or twelve hundred dollars in gold, a watch, revolver and some silverware the robbers jumped on their horses and were back again to Omaha before daylight, returning the horses to the stable from which they had taken them.

The authorities at Omaha being notified of the robbery the next day, Bouve and Iler, who were strangers in the city, and spending money very lavishly, were arrested on suspicion of being the perpetrators, and placed in jail to await the arrival of Mrs. Taylor, who was immediately sent for to identify them. When she came she readily picked out Bouve and Iler from amongst a room full of men in which they, had been placed, although they had in the meantime been shaved and otherwise altered in appearance. The identification of the thieves being complete, they were, returned to the jail to await trail. A meeting of the citizens was held that night in front of the Pioneer Block, in regard to the matter, and on the following night about twelve o'clock, a vigilance committee took the prisoners from their cells and hung Bouve to the bridging of the upper floor of the building, and liberated Iler on account of his intercessions for the life of Mrs. Taylor. Iler, it is said, afterwards enlisted in a Nebraska regiment and made a good soldier for the Union.

I suspect that Jacob Henry Iler b. 1 apr 1791 and Elizabeth C. Leach b. abt 1792 were the parents of your Henry L. Iler b. 1814. On what evidence do you place Henry L. Iler as the son of Daniel Iler? The 1820 Federal census of Ohio county, KY listed Jacob H. Eylor with 1 boy under the age of 10. I suspect the boy was your Henry L. Iler aged about 6 years.

Who was William Iler, b. about 1795? He and wife Hanna are on the 1850 census of Fairfield Twp., DeKalb Co., IN. It says that they are born in PA. Does anyone know the maiden name of Hanna? Families living on either side of them are Solomon Crossley (PA) and Adolphus Murphy (PA). Is Wm. and wife Hanna connected to either of those families? Thanks in advance for your help.

I found in my Grandfather's Truck, several pictures of Ilers. All of these pictures were taken in Anderson, Madison County, Indiana around 1890 through 1910.

They are of Mrs. Iler abount 55-65 years old, Frank Iler about 20 years old, various pictures of Alice Iler from 15-25 years old, and Ada Iler about 20 years old.

I have had no time to seach in the Anderson Library for any information on these individuals. But, if anyone has any desire for a copy of these pictures, I will scan and E-Mail them to you. All of the pictures were taken in studios.

JOHN LIGGET, born October 12, 1835 in Van Buren township, Shelby county, Indiana - died June 10, 1884 of pneumonia (It is said he contacted this after being immersed in a stream for his baptism!) in Madison township, Fremont county, Iowa; --married--MARY MARGARET McCRACKEN, born February 7, 1842 in Hendricks county, Indiana - died February 14, 1888 in Fremont county, Iowa; married on December 10, 1862 in Fremont county by William Rector. John was the son of George and Mary (Sayre) Ligget; Margaret was the daughter of William and Esther (Hogden) McCracken. They were buried in Farmer's Cemetery, which is now known as Mount Olive Cemetery. The McCracken's came to Fremont county in 1854, while John and his brother George Biglow Ligget came to the county in 1858. John Ligget served as president of the Highland School District in Madison township. By the end of the 1800's, the Ligget's were spelling their name with an added "t" at the end: L-i-g-g-e-t-t.

Lucas, Ohio
Sesquicentennial 1836-1986
Chapter Two--History of Monroe Township
Early Settlers and Settlements--Page Sponsored by Mary Alyce Switzer Mitchell

The first settlers entered the area in 1809 as they followed the Black Fork. When they came to the junction of the Black Fork and the Rocky Fork, some continued up the Black Fork and settled in the Mifflin. Among this group were the Copuses, the Zimmers, some of the Hills, Andrew Craig and others mentioned in the history of Mifflin. The others continued up the Rocky Fork, and settled near the present of Lucas. David Hill was among these early settlers and is honored as the first white man to enter Monroe Township and build his cabin. It was erected on the farm which was owned for many years by John Swigart, adjoining the village of Lucas. It stood on the north side of a bank with a little spring brook.

The following is a list of the earliest known settlers of the township: David Hill, Section 9; Frederick Bonenberg, Section 10; John G. Peterson, Section 1; John Lambright, Section 2; Mordecai Williams, Section 9; William Slater, Section 35; Adam Wolfe, Section 19; Robert and William Stewart. Those who settled on Section 8, were William McLauglin, William Ray, William Ferguson, Thomas Rigdon, and Thomas McBride. Jeremiah Smart, Section 4; Andrew Richey, Michael Huffman and Ebenezer Smith settled on Section 6; Thomas Pope and David Balliet, Section 9; John Iler and Melzer Coulter, Section 19; David and Charles Schrack, Section 34; David Ellis, Section 17; Frederick Cromer and David Crawford, Section 26; Abraham Baughman, who came in 1812 or 1814, Section 25; Christian Good; Section 3; John Douglas, Section 28; Frederick Switzer, Section 13; and Solomon Gladden, who came in 1817. Mr. Switzer came in 1817, and Mr. Douglas in 1818.

NAMES OF SETTLERS IN 1819--Page Sponsored by Larry Hammett

In 1819, the following names appeared on the tax duplicate of Monroe Township, which affords positive evidence regarding its early settlement. It is presumed the list comprises nearly all the heads of households in the township at that Date.

"James and George Archer, Abraham Baughman, Stephen Brady, Jacob Baughman, George Baughman, Frederick Boneberger, James Church, Frederick Cramer, John Douglas, David Ellis, William Furgeson, Benjamin Forbey, Benjamin Gatton, Christian Good, Solomon Gladden, Henry Huffman, Rebecca Hensel, James Irwin, John Iler, Peter Kinney, Lawrence McLaughlin, Amerine Marshall, Thomas and Alexander McBride, Alexander McBride, Jr., Jacob Oler, Hohn G. Anthony Aylor - 32691

What little I know about him

This is all the information I have collected so far on the mysterious Anthony (Anton) Aylor of Rockingham County, VA, ca. 1750. If anyone can add to this please let me know and I will update it. From the info below it seems the family split, with some moving to Georgia and others to Ohio then on to Nebraska. Thanks to all the folks who have already contributed to this project!

I believe that Anthony is related to the Aylors from Germanna, but I cannot find any direct evidence of this. It is known that Henry Aylor of Germanna owned property in Rockingham County. If you can tie Anthony to the Germanna Aylors, PLEASE EMAIL ME.

Download a GEDCOM file containing the entire Anthony Aylor line (32k)

You can also download a GEDCOM file containing the family info for Peter Eiler (18k) which is not as complete, but its all we know about him.

If you can contribute to either of these files, please send me an email.

Note 1:
Apparently he moved to Georgia and died around 1804.

Note 2:
He was usually referred to as George. Orebaugh says he was born in PA. See his family below.

John George Aylor's parents were Anthony Aylor and Anna Catherine Elias Smith, who were married 4 Sep 1753. [Peaked Mtn. Church records] (which I believe is in Rockingham or Augusta County VA)

Mary Tanner's parents were John Tanner & Catherine ??

source: Mirl Orebaugh [mostly] except #5, from Terry Graham, see below: Mirl Orebaugh is the author of a book titled "The Descendants of Andreas Oberbeck and Elizabeth Drach," which contains references to numerous Aylors (I have a copy of the index but was unable to get a copy of the book. I tried both ILL and the LDS). I will attempt another try at getting a copy from the LDS.

Terry Graham (tgraham@magnus.acs.ohio-state.edu) wrote:
"David and Margaret moved to Madison Co, OH prior to 5/4/1844." "... Upon the death of Margaret's father, George AYLER, Margaret and "her bothers and sisters" sold the deed on a three-acre tract of land in Madison Co., OH which had belonged to their father. I do not know if George AYLER actually lived in OH or simply possessed some land here. [...] After moving to OH, David [Link] and Margaret were "lost" to the LINK family ("whereabouts unknown"). We since have discovered that David and Margaret settled in Cincinatti. David is my mother's great grandfather. In our family, we jokingly call him "the missing LINK".
[END of Terry's comments]
---
Note the Madison County named here is in Ohio. That's the next county over from me but I haven't yet looked into the records there to see what I can find. The land was sold to Martin Orebaugh [Oarbaugh, Yarborough], Margaret's brother-in-law.

I have another "cousin" descended from these folks who had ancestors who married in Madison (or Union) County, Ohio. He states that John Michael Aylor b. 13 Oct 1828 Augusta Co. VA d Dec 1914 married in 1850 Madison Co. Ohio, Eleanor Knipe Norris (b. 20 June 1832 d. Feb 1914).

I do have a record of this marriage from the IGI only it says Union County (nearby). I am not sure who John Michael Aylor is or how he is related to this family. He could be John George Aylor's child #6 from above, but the dates are a little far apart. John Michael, according to my cousin, had a brother Abner and a sister Hannah, and the 3 were children of a William Michael Aylor and Elizabeth Knipe Aylor. Elizabeth was allegedly born in Harrison Co. Ohio. He didn't give me a date for their marriage, and he says that Wm Michael was born in Madison Co VA. I am skeptical about this last link.

NOTE: Since the above was written, new evidence has surfaced that seems to indicate John Michael Aylor was the son of John Aylor (#6 above). Evidently John #6 married a woman named Charlotte and moved to Ohio.

Dorothy Boyd-Rush once wrote:

32721 32722 32734

"I'm still at a dead end with Peter EILER Junior (1766-1841 - died in Rockingham) married Elizabeth RUSH 14 Dec 1796 in Rockingham. According to the baptismal records when their son Oliver was baptized his sponsors were Peter EYLER and wife Catherine. The baptism occurred at the Peaked Mountain Church in Rockingham and was in 1801."

32719

According to the VIRGINIA VALLEY RECORDS by John Wayland, John and Henry Aylor were landowners in Rockingham Co in 1789. (Henry, I think, is from Germanna). Also, a Peter Eiler owned a large tract in 1755. We have since determined that the Peter Eiler [Oehler] named in the beginning of Germanna Record #12 (Aylor-Tanner-Snyder) was not the husband of Anna Magdalena Snyder as Mrs. Lewis had originally thought, so I don't know if Peter Eiler is related or not.

Evidently the Peaked Mountain Church changed its name to the Upper Massanutten Church at some point.

The following information was extracted from the above named book. I tried to get anyone whose name even remotely resembled Aylor.

The following is from an unknown source [IGI?]:
John Ayler b 19 Nov 1798 child of Peter Ayler & Elisabeth

A History of Rockingham County VA, also by John Wayland, page 60, lists Anthony Aler, William Oler, Henry Oler, and John Oler, but I cut off the previous page and am not sure what this list is referring to.

On pages 61 & 62 is an agreement between the Reformed and Lutheran Congregations for use of the Peaked Mountain Church signed 31 Oct 1769. Among the signers: Anthony Oehler, Henry Kohler, John Reisch(*), George Zimmerman (*), Peter Euler, Jacob Risch(*), and Martin Schneider(*).

(*) names included because I thought they sounded like they could be Germanna descendants (Risch = Rouse?)

Note this book was not as well indexed as its successor (Valley Records) and I found these names by leafing through the book, so I may have easily missed some.

Wayland states that "The most complete and best preserved records are perhaps those found in the Peaked Mountain Church. Parts of these records were translated and published in 1905, by WJ Hinke and CE Kemper, in the Wm. & Mary College Quarterly." I would be very interested to see what that material says. I have read Hinke & Kemper's work before, in the VA Magazine of History and Biography from about 1904 and it is excellent.

One final book, the Wuerttemberg Emigration Index, lists several Oehlers, almost all from the same area in Germany where "my" Aylors came from (towns: Botenheim, Cleebronn, Haefnerhaslach), but no Anthony's. In fact, all of them listed in this index left between the years 1831 & 1866, which eliminates any who were in America during the timeframe I am looking at. However, there is a high probability that they are all related. It might be interesting to try to piece together exactly how, but I would need German records for all the years between 1720 and 1830, and I don't see that happening. Plus, the destinations are mostly listed as "N. Amer."

Lee Hay (LEEHAY338@AOL.COM) wrote the following 4/1996:

The line I am tracking is the Hammons line and accidentally ran into the Aylors. These are the same Aylors that you are tracking. This is how I connect:

Barbara Anne (you have her as Anna Barbara) was married to John Hammons Jr. before they arrived in Wilkes County, Ga. around 1790. (These are my direct ancestors.)

Her brother John Aylor (b. 1757) married John Hammons sister, Mary Hammons. I still can't find if they were married in Wilkes County or before.

I did find that John Hammons father, John Sr. had lived in Rockingham Co., Va. (once Augusta Co.) with the Aylors for some time before they went to Wilkes Co., Ga. I don't know if you know it, but Philip Zimmerman along with his father, Barnhardt moved to and lived in Wilkes Co., Ga. too. Philip Zimmerman was also executor of Anthony's will. It was recorded in Wilkes Co., Ga. I did find that on

31

one of my trips.

The thing that was most interesting is that you find the Aylors on the ship Edinburgh and I have tracked the Hammons back to the Edinburgh to Johann Jacob Hammon. Is that name on the list? If it is, then I think we have it. I think this is the John Sr. that I was looking for. Since 1750, I could find the Aylors and the Hammons together and even married into the family. The Aylors would be direct decendants to me through Anna Barbara.

You didn't mention it, but there is also documentation on Anna Catherine (I have it as Elizabeth) Smith's father as being Henry Smith (also a name from Germanna).

Follow-up from Lee Hay (LEEHAY338@AOL.COM) 4/1996:

ABSALOM RYAN, b. 11Dec1830

----

from Past and Present of Mahaska County, Iowa by Manoah Hedge The S. J. Clarke Publishing Co. 1906

58347
Absalom Ryan, a representative of farming interests in Richland township, his home being on section 9, was born in West Virginia, December 11, 1830. His paternal grandfather was a native of Ireland and on crossing the Atlantic to the new world settled in West Virginia before the United States had any control over the land there. He became the owner of a tract of land of about four hundred acres and lived upon the frontier, sharing in all of the experiences, dangers and hardships of pioneer life. In those early days the trees were blazed with a tomahawk by the settlers in order to indicate the boundaries of their land. The grandmother of our subject was a native of Germany. Felix Ryan, the father of Absalom Ryan, was born in West Virginia, and after attaining his majority wedded Lea Frush, who was also born in that state. Coming to Iowa in 1853, they made their home in Mahaska county, where Felix Ryan died in 1854, at the age of forty-nine years. His wife long survived him and died October 13, 1892, at the age of eighty- six years. The old homestead property of the father was the birthplace of our subject, who resided thereon until he reached the age of twenty-one years. He well remembers the old log schoolhouse of the neighborhood with, its slab benches, puncheon floor and large fireplace. It was in that primitive structure that he pursued his education. School was conducted on the subscription plan, the parents having to pay a certain sum for the privilege of sending their children to the school. Mr. Ryan's educational privileges, however, were very limited. His father was a great horse fancier and when Absalom Ryan was twenty-one years of age his father gave him a stallion and for about a year and a half he took care of this horse. While he made his home upon his father's farm he often went as far as thirty miles with this horse. On the 12th of July, 1853, in company with two brothers, John and James, he started westward with five head of horses. They rode horseback all the way from their old home in West Virginia to Mahaska county, Iowa, and on the way visited relatives in Ohio, Indiana, and in Van Buren county, this state. It was a long trip but there were many pleasant incidents connected therewith. Today, although seventy- five years of age, Mr. Ryan can mount and ride a horse as well as many men of half his years. They arrived in Mahaska county on the 18th of September. Mr. Ryan had an uncle in Ohio who possessed a land warrant for eighty acres which had been given him in recognition of his services in the war of 1812. Mr. Ryan purchased this warrant and on reaching Mahaska county secured with it a claim of eighty acres on section 9, Richland township. He afterward purchased forty acres of government land on section 16, of the same township, at a dollar and a quarter per acre. There was a log house and a frame house on the claim when he entered it, but not knowing where the road was to be--for at that time no highway had been laid out-they lived in the frame house where it stood until the road had been made and then removed it to a more favorable location on the farm. The tract of land upon which Mr. Ryan took up his abode was in the midst of the forest, for he was accustomed to timber land and wanted to get that kind. The grove was five miles long and three miles wide. With characteristic energy he began the development and improvement of his farm and as the years have gone by he has added to his possessions until he now owns three hundred acres of valuable farming land, about one hundred acres of which he has cleared from the timber. He never missed having good crops and has always raised plenty of grain for bread stuffs. He never had to endure the hardships that fall to the lot of many pioneers, for he was always in good circumstances. A lover of horses, he has owned and, sold many fine animals. In connection with general farming he makes a specialty of raising and feeding hogs, which he finds to be more profitable than cattle. The year following his arrival his parents joined him in Mahaska county and continued to make their home with him until they were called to their final rest. In their family were eleven children: Washington S., now living in Nebraska; Absalom, of this review; Christian, who resides in Oregon; James, who died in Richland township; John, living in Newton, Iowa; Samuel, of Nebraska; Jehu, also of Nebraska; Elizabeth, the wife of Samuel Stalnaker, of Nebraska; Sarah, the deceased wife of Abel Proutty, of Nebraska; Elsie, the wife of John Baker, also of 15244 Nebraska; and Maria, the wife of Len Iler, of the same state. On the 30th of September, 1860, Absalom Ryan was united in marriage to Miss Comfort Allen, who was born in Ohio, October 11, 1834, a daughter of Jonathan Allen, who was a native of New York and removed to Ohio with his parents when two years of age. He came to Iowa in 1847 and for a number of years engaged in farming in Richland township, after which he began the operation of a sawmill in Jasper county, where his death occurred in 1856. His wife, who bore the maiden name of Roanna Tolburt, was born in West Virginia, and died in Richland township, January 7, 1853. Mrs. Ryan was the third in order of birth in a family of seven children and she has two brothers yet living: Daniel, who resides in Custer county, Nebraska; and Wilson, living in Decatur county, Iowa. Unto Mr. and Mrs. Ryan have been born nine children: Elam, who owns a good farm in Richland township and makes his home with his parents; Frank, who married Miss Martha Sheesley and is living on a farm in Richland township; Thomas and Absalom, at home; John, who is preparing for the practice of medicine as a student in Penn College in Oskaloosa; Flora, the wife of Ed Sheesley, of Richland township; Ida, deceased, who was the first wife of Ed Sheesley; Rachel at home; and Celia Ann, deceased. In 1894 Mr. Ryan built a large, two-story frame residence which he and his

family now occupy. He has also built large barns and numerous outbuildings for the shelter of grain and stock. He has a good orchard upon the place and well kept fences, together with the latest improved machinery and altogether he has a model farm. For several years, however, he has done little actual work upon the farm himself but gives his supervision to its cultivation and management. He owns in addition to this property one hundred and sixty acres of land in Nebraska, where he and his wife often visit, a number of their children living in that state. Mr. Ryan enjoys good health for one of his years, but his wife recently has been in poor health, having suffered a stroke of paralysis. Both are valued members of the Methodist Episcopal church. Mr. Ryan is a democrat in his political views and has served as road supervisor and school director but would accept no other offices. He has done much to make good roads in this part of the county, helped lay out the first roads, and deserves much credit for his work in this connection. He has never used tobacco nor liquor in any form, living an upright, honorable life, and is spoken of as a "fine man." He is well liked by everybody and his home is a hospitable one. He is fond of reading and his table is covered with papers and books, showing that he keeps in touch with the current events and the trend of modern thought.

HISTORY OF WYANDOT COUNTY - TYMOCHTEE TOWNSHIP (54809-10)

58447 HENRY LONG, proprietor of the " Gier House," Old Tymochtee, Ohio, was born December 15, 1842, in McCutchenville, Ohio, and is the son of Jacob and Lydia (**Eyler**) Long, natives of Pennsylvania. They emigrated to Ohio in about 1837, and settled in McCutchenville, Ohio, where he followed the trade of shoe-making for several years. In 1845, he purchased fifty-six acres of land in Tymochtee Township, this county, upon which he settled, after clearing and building a log cabin, etc., in 1849. He reared a family consisting of four sons and five daughters-James, Margaret, Harriet, Mary, John, Lucinda, Henry, Elizabeth and Wilson, of whom all are living with the exception of the two latter. The mother died in 1867, and the father in 1872. Oar subject was married, in 1862, to Lydia C. Freet, of Tymochtee Township, this county, who was born in Loudoun County, Va., her parents being Henry D. and Lydia O. (Clise) Freet, natives of Virginia and of German descent. They emigrated to Ohio and settled in McCutchenville, this county, where he followed the blacksmith trade,. afterward moving to " Old Tymochtee." They raised a family of twelve children, of whom only four are living-Amanda A., Henry C., Lydia C. and George W. The parents are deceased-both interred in the Dunn Graveyard. To the union of Henry and Lydia C. Long have been born one son and one daughter- Carl Grant and Vistie A., both of whom are living. Our subject rented farms for several years, then purchased property in "Old Tymochtee," subsequently purchasing the old tavern stand known as the Gier House in the above town, where he still lives, and his present occupation is farming and grain threshing. In 1882, he purchased 114 acres of land, which he is now improving, and which he values at $50 per acre. Politically, he is a Democrat.

the somerset SCENE

Barring dynamiting of the Administration Building, theft of the Court House or another Willie Moretti killing in the back roads of Bridgewater—all of which are somewhat unlikely—Chimney Rock is destined to be THE issue of the Somerset election campaign.

It's doubtful that anyone has to be told this—except perhaps the Board of Freeholders—since GOP Senator Malcolm Forbes and his Democratic opponent, Charles Engelhard, already have exchanged several hundred thousand words on the subject.

Now the subject of Chimney Rock (Shall Washington Valley be inundated with the water of the Raritan?) has filtered down to the lower echelon of candidates. Latest to leap into the stream is Mrs. Eleanore Rowe of Basking Ridge, Democratic candidate for Freeholder.

Of course, it would be stretching the point a bit to describe Mrs. Rowe's assault on the Chimney Rock proposal a political battle, since to date all she has been able to do is shadow box. Her erstwhile Republican opponent, Henry Fetherston of Watchung, hasn't been heard of since the advent of Summer, which makes Mrs. Rowe's efforts to stir up a fight over Chimney Rock very frustrating.

Since she lacks something better to throw her punches at, Mrs. Rowe turned Friday to the Board of Freeholders. She inquired of the Raritan River Harmony Boys why they didn't have someone in Trenton last week upholding Somerset's financial honor.. She thought this a rather pertinent question in view of the fact that the landowners of Somerset's rolling hills might be socked to the tune of $76,000 a year to develop a new reservoir from which they may never get so much as a droplet.

Needless to say, the attractive matron from Somerset Hills might as well have asked the three county fathers if they thought the Maharajah Jig-me Dorji Wan-chuk was doing a good job administering the affairs of Bhutan.

"We have it under study," was Freeholder-Director Bob Adams' astute reply to Mrs. Rowe's inquiry about Chimney Rock and whether the board was going to take a stand on the proposal to flood an eight-mile section of the county—and charge part of the cost up to Somerset.

Mrs. Rowe's failure to point out that the time to have studied the matter was before the Legislature's public hearings, which were conducted for the purpose of sounding out the pros and cons of the issue, can be attributed only to a delicate sense of fair play. Apparently she felt that, once having received the classic answer, pursuing the matter further would be equivalent to socking your adversary over the head with a chair after you had floored him.

On hand at the Freeholder meeting as Mrs. Rowe's second was Frank Pelliano, once a board aspirant himself. Since the three board members apparently have made up their individual minds on the Chimney Rock issue, Frank wanted to know why they couldn't take a collective stand, even if it represented a 2-to-1 viewpoint.

Naturally, Frank didn't expect an answer to this since he's had enough experience with the operations of the board to know that nothing, absolutely nothing, must be permitted to shatter the outward display of peace and harmony which it so successfully presents.

—o—

Candidate Engelhard's **aides are breathing deep sighs of relief at this moment. They were quite disturbed last week after his very unpolitical pronouncement that he might consider withdrawing from the Senate race, if Governor Meyner took a stand in favor of the Chimney Rock reservoir.**

The Engelhard camp was shaken badly when their chief made this unrehearsed observation at a press conference, but their equanimity was restored less than 34 hours later when Charlie and the Governor had a heart-to-heart chat.

The Governor's assurances to Charlie that he is running as a free agent and should campaign as he sees fit restored Candidate Engelhard's faith in politics, and he was back in the race with no thought other than to fight to the bitter end.

Would it be ungainly to observe that the Governor would bestow his blessing on Charlie even if he campaigned on a platform of outlawing the Democratic party, just so long as it succeeds in removing Mr. Forbes from the Senate and the 1957 political picture?

—o—

Though Engelhard is playing the campaign most seriously, he hasn't lost his sense of humor.

The other night he looked a bit bushed from the tough routine. "How do you like this political grind?" a Newsman asked him.

"When I first got into it," he replied, "I thought I would only be getting my feet wet. But now the water is coming out of my ears."

Child's Death Was First Fatality Here in 2 Years

The death of a 13-year-old Linden boy last week was Franklin's first traffic fatality in 21 months, 11 days, Police Chief Ed Voorhees said today.

The boy, Robert Higgins, who was visiting relatives in Kingston, was struck by a dump truck operated by Anthony Manfready, 26, of Amwell Road, Belle Mead. He died in Princeton Hospital less than 24 hours after the accident.

Not Preventable

Chief Voorhees said the police department has been criticized for not giving enough police protection on Laurel Avenue.

"A patrolman on each corner could not have prevented this accident," he stated.

He said an officer was assigned to that sector in plain clothes in a private car for three days, and made just one arrest—"and that was a borderline case," he added.

Although township police records show only one accident on Laurel Avenue in 15 years, Chief Voorhees said, "I do know there have been (other) accidents on this road, but the local people insist on calling the State Police, so we have no record of these. With an undermanned department we must spend most of our time on Easton Avenue, Hamilton Street, and Somerset Street, where we have had 25 reportable accidents since the first of the year."

Violated First Rule

Chief Voorhees said eye witness reports showed that the "victim violated the first rule of highway survival—**without having a clear view of the roadway ahead he made a left hand turn into oncoming traffic.**"

"I am very, very sorry that this terrible incident had to occur," he added, "but I intend to defend the police department at all times against unfair criticism."

The truck driver was released on a $2,000 surety bond after appearing in magistrate's court on an involuntary manslaughter charge. According to Mrs. May Hobbs, Court Clerk, the case will be brought before the grand jury in Somerville, this term.

Mr. Manfready is also scheduled to appear in magistrate's court again Sept. 6 at 8 p.m., to face a careless driving complaint.

THE LITTLE BRITAIN,
PENNSYLVANIA, BRANCH of the Family

(A) ROBERT KILLOUGH, b. 1681, Co. Antrim, Ire.; d. 1737; m. Margaret Finley. In 1718, he and his family migrated from Coleraine, Ulster, on the "William." Their sons were David, Finley, John and possibly Allen.

(2) DAVID KILLOUGH I "of Little Britain," b. unknown; some records indicate his birthplace as County Down, Ireland; others indicate Worchester, Mass.; d. 1761 (will was probated 2 SEP 1761), Lancaster Co., Penn.; m. Mary ___ from County Down, Ire. Arrival port in Penn. believed to be either Port Deposit or Donegal. He was a farmer. He received a land grant in Lancaster Co., Penn., from the king of England on 20 APR 1735. On 4 Mar 1744, the Land Office of Provence issued a deed to David Killough and three other men for the use of a tract of land for the Presbyterian congregation of Big Spring in Newville, Cumberland Co., Penn. In 1752 he owned land and lived in what is now Frederick County, Md. He sold his interest in the family farm in Cumberland Co., Penn., in 1756 and, with his wife Mary, settled along the Cecil County, Md./Lancaster County, Penn., border. The deed, dated 21 JAN 1760, is still in existence for land in Little Britain Twp. (now Fulton Twp.), Lancaster Co., Penn., from Stephen Haird to DAVID KILLOTH "of Cicell County and Province of Maryland." An ancient certified copy of the will (and

letters of administration) is dated 30 SEP 1761. At the time of the probating of the will, his wife Mary, sons David and Thomas, daughters Ann and Mary Anna, son-in-law William and the youngest sons Allen and Ebenezer (under age 10) were mentioned. Samuel has been proven to be his son also. The order of birth is unknown. The following order of these seven children is different from that used in previous editions of this book.

They moved into a large log cabin home, situated near a mill, on the banks of Crooked Creek, opposite Brooklyn. They had the first stove in the area. Richard was a school teacher as well as a farmer and helped erect the first school there. In 1840, he rented a farm near Plymouth. After two more moves in 1843 and 1846, he bought 160 acres of land near Macomb in 1854. Thirteen children: Thomas, James, John, Charles, Andrew, Elizabeth, Francis, Mary E., Albert, Richard, Margaret, Almyra, George.

STUDENT PROFILE
Brian Eyler '00

397963

Challenged by China Of his first visit to China, Brian Eyler '00 says, "I wanted to pick a destination that hadn't been penetrated by the West. I love a challenge, and I can't think of anything harder than learning Chinese."

Eyler studied Chinese during his sophomore year, then traveled to Beijing University with the Council on Interna-tional Educational Exchange program that summer to learn more. He returned to Bucknell for fall semester junior year before traveling to Kunming with the School for International Training (SIT) program that spring.

"It's the most magical place on earth," he says of Kunming.

During the 4-1/2 month SIT experience, Eyler studied Chinese and attended seminars, lived with a Chinese family and traveled in the northern Yunan province. May was devoted to an independent study. That summer he taught English at an American school.

"On our bus ride into Kunming, we passed a Wal-Mart," Eyler recalls. "An independent study on the negative effects of Wal-Mart on the local economic community seemed needed."

What Eyler found troubled him, and his resulting report is in the hands of international associations and the National Labor Committee.

"They're big on Wal-Mart domestically," he says of the committee, "but I'm not sure what they're doing on the protection side. Wal-Mart pays local workers twice the average wage, their prices are cheaper and they're offering superior products. But, they're hurting the local convenience stores, the heart and soul of the Chinese economy."

The inequities Eyler uncovered, and his burgeoning love of China, have helped forge a career path. After graduation, he will return to Kunming to start a new branch of the American English school. Down the road, he'll attend graduate school to study foreign affairs with a China concentration.

"There are lots of sad things going on in China now," Eyler says. "Foreign investment is coming in, but the huge cultural barrier — both in business practices and language — results in business agreements that are not in the best interests of the Chinese. My long-term plan is to start an organization that works with these joint ventures to put together mutually beneficial agreements."

Mary Eyler, daughter of Peter was born 1863. She married Henry BLACK 1879 in Schuyler county. Had children, Bertie, Ida Viola, Clarence Cleveland, 53413 Harley, and Nellie. Family later moved to Omaha. Anyone researching this family??

Mary Elizabeth Eyler was born about 1861. She is not with her family in 1880 - did she marry? In 1891, her father mentions in his will that she is "married to a man unknown to himself". In 1900, her step brother, Charles ILLMAN files a petition to have her declared dead in order to distribute the estate. Affadavits filed state that she "went west".

58538 3. **FLOY ALLENE SMITH**, born 3 Jun 1897 in Bryan Co., Ga., died 5 Jun 1992 in Hinesville, Liberty Co., Ga. She was the daughter of (6) Samuel T. Smith and (7) Sarah A. Cribbs.

Notes for Henry Davis:
He grew up in Bryan Co., and lived there all of his life. He was a carpenter by trade, and helped build a lot of homes in the Richmond Hill area. He also drove the first school bus load of children to the Richmond Hill school. Henry was a gentle and kind man. I never heard him raise his voice, or say an unkind word about anyone. He loved his family, church and Masonic Lodge. At the ground breaking ceremony for the First Baptist Church of Richmond Hill, he turned the first spade full of dirt. His hobbies were hunting and fishing. Needless to say, he touched the lives of all he came in contact with. A well like man. He met his wife in her backwoods home in Bryan Co., in 1913. She was riding a mule, on her way to the Post Office in Rhoden. At that time, he was working in the turpentine business (scraping boxes). They became more acquainted as he arrived at her home to be instructed in the Masonic Order, by her father (Samuel T. Smith). He married Floy after two years of courtship, in the home of Floy's parents, by her Grandfather, William F.M. Smith, who was a Baptist Missionary Preacher. After the ceremony, a big dance was held for all who attended. He moved his family to Ways Station (now Richmond Hill) on 5 Jun 1941 after the government had taken the land on which he lived. The land became part of Ft. Stewart. He moved his family into House #29, in the Blueberry Village, and lived there until his death. He missed being in the Bryan Masonic Lodge fifty years, by about four months. In all that time, he served as Worshipful Master for eight years. Henry was elected to the position of Justice of the Peace, from 1924 until 1961. In many of those elections, he ran unopposed. He served as election manager for all election held in the 20th District, from 1924 until 1961. Many voters in the District looked forward to seeing him sitting in his usual place as they entered to cast their vote. This wonderful man died as the result of a stroke and is buried in the First Baptist Church Cemetery, Richmond Hill, Ga.

Notes for Floy A. Smith:
There is so much that I could write on this lady, however, I will keep it short. She was raised in Bryan Co., and in the area known as Ft Stewart. Floy was the first born, so by the time she got married, she knew what hard work was. Of the eleven children born into this family, ten were raised to adulthood. At age 91, she planted her last garden. Fishing was another activity that she really enjoyed. She died about 6:20 p.m., after a long illness, in Hinesville, Ga. She is buried beside her husband in the First Baptist Church Cemetery, Richmond Hill, Ga.

4. **JAMES HENRY DAVIS, Sr.**, born 19 Jan 1857 (taken from Bible records), in Bulloch Co., Ga., died 16 Apr 1943 in Richmond Hill, Ga. Depending on what records you read, he was the second or third son born to (8) James M. Davis and (9) Sarah Strickland. He married (5) Elizabeth Phillips 6 Oct 1881, in Bryan Co., Ga.

58276

5. **ELIZABETH PHILLIPS**, born 6 Jun 1857 in Clyde, Bryan Co., Ga., and died 20 Apr 1936 near Pembroke, Ga. Elizabeth was the daughter of (10) Jesse Phillips and (11) Gracey Ann Iler. 19927

Notes for James H. Davis:
First off, we have conflicting information as to when James was born. Relatives report that he was born in Bulloch Co., in 1857. Information from the Davis Family Bible also indicated he was born in 1857. However, the 1860 census for Bryan Co., does not list him. It lists the father, mother and two brothers. The 1870 census for Bryan Co., indicates that James was born in 1860. The 1880 census for Bryan Co., shows James being born in 1864. Which ever one is correct, we do know that this man lived most of his life in Bryan Co. His occupation was farming. He attended grade school, briefly in the 1860's. The census records indicate that James could not read or write. The Vital Records for Bryan Co., (marriages: 1863-1889) revealed that James applied for and obtained his marriage license on 4 Oct 1881. James lived with his family in the part of Bryan Co., that is now Ft Stewart, most of his life. As he got up in age, he lived with his children, a few months at a time with one, then a few months with another. James was at the home of my parents (Henry & Floy Davis) in Richmond Hill, at the time of his death. He is buried beside his wife at the Bragg Cemetery, at the Rhoden townsite, which is located in Ft Stewart. Just to add a personal note. I remember this gentleman, as my Father had me keep him awake during the day time, so he could get some sleep at night. I would notice Grandpa was sleeping in a chair, I would find a broom and get a straw out of it, and tickle Grandpa. He would wake up, and get after me with his walking cane. However, he was up in age, and I was very young, and he never caught me. I think I did a good job, as my Father got his rest at night.

Notes for Elizabeth Phillips:.
Relatives reported that she was raised in an orphanage, in Pooler, Chatham Co., Ga. After her marriage to James, they lived in Bryan Co., most of their life. They had one son born in Tattnall Co., Ga. Her death was the result of peritonitis, following appendicitis. She is buried beside her husband in the Bragg Cemetery, Ft Stewart, Ga.

Notes for Samuel T. Smith:
I remember this man very well. I would have stayed at his home in Richmond Hill, (Blueberry Village) but my parents would not let me. I did not realize at the time, but my grandparents were not able to take care of me, in my early age. I remember his three wheel bicycle, his dog Spot, and he had a wooden toy (man painted black) with a long wooden dowel from the back. He would sit on one end of a limber board, and make the wooden man dance. I could sit for a long time and watch it. He would get tired playing with the toy, before I got tired of watching. He smoked a pipe and cigars, as I remember. He also was a large man. He died as the result of causes stemming from sugar diabetes. He is buried in the St. Bonaventure Cemetery, Savannah, Georgia.

Notes for Sarah Cribbs:
I remember this kind and gentle woman very well. She was small in stature, but a big heart. She was the best cook in the state of Georgia, and I just enjoyed her meals so much. Her death was the result of a stroke. Grandsons were pallbearers, which this writer was one of them. She is buried beside her husband in the St. Bonaventure Cemetery, Savannah, Ga.

8. **JAMES MADISON DAVIS**, born April 25, 1831 in Bulloch Co., Ga.; died sometime after 1880. He

was the son of (16) Asa Davis, Sr., and (17) Sarah Ann Wise. He married (9) Sarah Strickland September 25, 1856 in Bulloch Co., Ga.

9. **SARAH STRICKLAND**, born April 23, 1836 in Bulloch Co., Ga.; died in Bulloch Co., Ga. She was the daughter of (18) Elijah Strickland and (19) Delilah Futch.

Notes for James M. Davis:
Very little is known about his early life. In the 1850 census for Bryan Co., Ga., shows James living with the Samuel Harvey family. A few things that we know; James was a farmer, and apparently farmed all his life. He could not read or write, and he did not have any formal schooling. Rumor has it, that he was married twice. This is a good possibility, but I am unable to verify this rumor. The 1880 census for Bryan Co., is the last census with James listed. Have been unable to find out when he died, or where he is buried. Research is still being conducted.

Notes for Sarah Strickland:
There is not very much information about this lady, as a matter of fact, it is not known when she died or where she is buried. More research is needed.

Notes for William Smith:
A few things we know, is that he served in the 5th Georgia Cavalry, during the Civil War. The 5th Ga. Cav., was attached to General Wheeler's Cavalry during all the campaigns in Georgia. There is not very much information about this unit. William's military records are in my possession. After the war, he became a Missionary Baptist Minister. In February 1888, the Corinth Baptist Church was organized by seven members, one of which was William. In 1898, William was called as pastor of the Corinth Church. In June 1941, the church was closed as the land on which it sat, became part of Fort Stewart. William's death was the result of organic heart disease. His death came on his 56th Wedding Anniversary. He is buried in the Antioch Cemetery, Evans Co., Ga., next to his wife and parents. Antioch Cemetery is about four miles south of Daisey, Ga. A few things that were told to me, by my relatives, concerning William; he could not read or write before he went to war, and after he got out of the military, he could read the bible. (A common thing, during the Civil War, during leisure time, individuals, were teaching others how to read and write). Also, he did not shave during his entire life. (NOTE: THE REASON FOR NOT SHAVING, WAS BECAUSE HIS BROTHERS, RELATIVES AND FRIENDS WHO JOINED THE CONFEDERATE ARMY, VOWED NOT TO SHAVE UNTIL THE SOUTH HAS WON THE WAR. NEEDLESS TO SAY, THE SOUTH DID NOT WIN, SO THEY NEVER SHAVED). He kept his beard trimmed and neat. I have a photograph of this man in my possession. William had the pleasure of performing the marriage ceremony of his Granddaughter Floy A. Smith to Henry H. Davis, Sr.

Notes for Mary Catherine Futch:
There is very little information on this lady. A relative related that Katie was known as "Ugly Granny", but the picture I have of her, shows a very nice, stern looking woman. Her cause of death was cerebral hemorrhage. She is buried in the Antioch Cemetery, beside her husband, in Evans Co., Ga. I have a photograph of their tombstones in my possession.

Notes for Henry Cribbs, Sr.:
He enlisted in the Confederate Army, in Savannah, Ga., on August 14, 1861 as a Private. He was assigned to Captain Smith's Company, (Bryan Independant Riflemen), which was the 25th Regiment, Georgia Infantry. His Civil War records state, "sick in camp", during the period of July and August 1862. It was during this time that he was shot in the jaw (chin area). Relatives stated that he lost part of his jaw during the war. He also had a fu-man-chu moustache to cover his chin area. His muster roll number was 567, and received his pay, $11.00 a month, every two months. The last entry indicates he signed a receipt for clothing in 1864. His last unit was Company "B", 25th Regiment, Ga. Infantry. In the 1900 census for Bryan Co., shows Caroline living with two of her children.

Notes for Caroline E. Clanton:
It is not known which county she was born in, Bulloch or Bryan. She was in Bryan Co., as late as 1900, because she was living with two of her children at that time. She went by the nickname of "Carrie". She is buried in the Bay Branch Cemetery, Evans Co., Ga.

Surname: Iler, Isler, Douglass, Hays, Bramham, Hunt

------------------------

I am searching for the descendants of John Tolbert Iler (b: 10 Aug 1827
in Ohio County, KY) and Mary Jane Douglass (b: 25 Nov 1836 in Smith County,
TN). They were married on 9 October 1866 in Obion County and were the parents
of: 15721

1. Eudora (Dora) Iler who married Thomas Jeffery Bramham on 29 Sep 1885 15720
in Obion County.
2. Thomas P. Iler (died as a child) 15725
3. William Iler (died as a child) 15726
4. ~~Charles P. Iler who married Susie Hunt~~
5. Virgil Brandon Iler who married Hettye Green Hays on 11 Dec 1908 in
Paducah, KY -- my grandparents
6. Luther Iler (I believe he resided in Evansville, Ind)

I'm also searching for the descendants of John Tolbert Iler and Margaret
M. Cae. Their son:

1. Dr. John Robert Iler (b: 8 Nov 1859 in Ohio County, KY). He was a doctor
that practiced in Obion County.

Mary Jane Douglass was previously married to Reuben Olfin (Alphin). She
was the daughter of William P. Douglass and Mary. I have traced them back 58652-3
to Smith County, TN. I would appreciate any help on taking this line back
further.
I have traced the Iler family back to about 1740... to Jacob Iler and Mary
who were residing in Washington County, VA in the 1780's/1790's. Anyone
who can help me take this line back further gets the gold ring!!

A quick correction to my earlier posting.... I said that Charles Iler married
Susie Hunt. Here's the correction:. 15731
4. Charles P. Iler who married Susie Dowell. They had at least two children
(daughters). One daughter was Mary Iler who married a Mr. Hunt. Mary was 15734
born on 20 May 1907 in Obion County and died on 3 Oct 1998. She is buried
in the Obion County Memorial Gardens. [Her obit is posted to the "Obion

Tiny kisses Denise Johnson, whose help lets Violet Oyler, 102, stay at home and out of a nursing home.

A caring relationship at risk

Not a room in this home is without a prescription vial.

Otherwise, it would be hard to tell that the lady whom Denise Johnson is fussing over — "like my own grandma" — is a day past 100.

Violet Oyler, 102, is dressed smartly in navy slacks, a blue oxford-cloth shirt and black

Proposed cuts at the Health Department would mean layoffs for 16 home caregivers.

"I don't know if I'm going to lose my job," Denise said. "And I'm not sure what's going to happen to Violet."

These are [illegible]certain times.

next year from the Health Department's $16 million, general-fund budget.

What can go, will go.

Choices are slim. Most of the department's business is "mission-essential."

Protected are programs to immunize children, prevent the spread of sexually transmitted diseases, treat tuberculosis, and respond to threats, including anthrax and smallpox.

She is, perhaps, a bit overwhelmed by the reporter and news photographer.

BARBARA CARMEN

For more than a year, Denise, a homemaker employed by the Columbus Health Department, has helped Violet. Denise runs errands and cleans, allowing clients to maintain their dignity and independence from a nursing home.

But now, Violet wants to help Denise.

towners to foot a rental-car tax? Columbus voters shot it down. The fallback was to cut services to people such as Violet and jobs for city workers such as Denise.

Denise is an experienced victim of recession. One of her best jobs was an eight-year stint with Rinks Department Store. After it closed, she worked a series of lower-paying jobs.

The city gig offered security. Or so she thought.

The mayor proposes to cut $2 million

ers who help with hygiene.

This could, of course, change once the City Council tweaks the budget. But for now, plans are to route all new applicants to Medicaid or private home-care companies and serve only those with no other choice.

Denise likely will be cut, but promises are that Violet's care won't be.

Money saved will allow the department

to redirect its muscle and what's left of the money. Mayor Michael B. Coleman wants to focus on services to neighborhood one-stops, where social workers and nurses team up with city development officials to connect citizens with needed services.

"We have to ask ourselves, 'What is the best use of city resources, the best use of city dollars?' " one city spokeswoman said.

The Health Department isn't arguing that a program that helps seniors stay in their homes is anything less than worthy. But they are compelled to make tough choices.

And that's tough on good people such as Denise.

"I brought roast," Denise says as she unpacks a paper sack she's hauled in this day. Tubs of vegetables, broth and sliced beef await Violet for dinner.

"And for you, Tiny, a dog treat."

A Yorkshire terrier, snuggled next to Violet on a sofa cushion, tries to rise and wag his tail. But Tiny, 13, also is ailing.

Denise, an animal lover, took Tiny to a vet on a day off work. The dog has a large tumor on his belly. Surgery isn't a choice.

Denise whips through her cleaning. In a closet are a sweater and sweat shirt she gave Violet for Christmas and a birthday. She baked her a cake, too.

"This is a great job," Denise says. "I like being able to help people."

Before she leaves, she tucks a piece of hard candy and another dog treat on Violet's pillow, along with a note: "Sleep tight. Don't let the bed bugs bite."

↑ FROM SANDIE LLOYD

↓ FROM ELOISE ILER

God saw he was getting tired;
and a cure was not to be.
So He put his arms around him,
and whispered "Come with me."
With tearful eyes we watched him suffer,
and saw him fade away;
although we loved him dearly,
we could not make him stay.
A golden heart stopped beating,
hard working hands to rest;
God broke our hearts to prove to us,
He only takes the best.

Either 33-year-old Tony Eyler is a horse charmer or he just likes a real challenge. Eyler, who is from Breckinridge County's Falls of Rough, spent Saturday on Mike Johnson's Silver Beach Road farm trying to tame a wild mustang without using any methods of force.

ENCINITAS, CA -- As Stan Eyler saw it Monday, his new business reproducing
digital images on canvas was "pretty doggone incredible" and he had the subdued pixels to prove it.
A Leucadia resident, Eyler has started two Internet-based companies that cater to the pictorial trade. One is called Artichoke.com and provides exhibit space for artists on the Internet as well as art-to-canvas reproductions the artists can sell. He started that company last summer.
"I was working at my family's company, Clean Team Co., that manufactured cleaning cards to clean credit card readers and thermal printers," Eyler said. "I wrote Clean Team's Web site in 1995 and was thinking how it would be a real challenge to work with art. The Internet is a purveyor of photos."

MERRY CHRISTMAS!

There is just enough snow to make it look like December. Ivan wasn't too much for Christmas, except for a good dinner and family around. I think I'm getting more like that every year. It takes energy to do alot of extra things and I am short of energy most of the time. Still try to keep up with everything but it is more difficult. My biggest problem is arthritis and I am better some days than others.

Son — Richard and Lynn had two new granddaughters this past two years. They are so sweet,but they live too far away. One in Virginia and the other in Florida. One will be coming after Christmas. I am so thankful for Richard and Lynn. I don't call them often, but if I am in a jam, they are here.

15536

ughter — Julie is doing about the best she is capable of doing. She is very happy and has less combustive behavior problems than in the past years. A year ago she was moved to a home with 7 other women about her age. They are all motivated and like to do quite a few things. They enter into special olympic volleyball and bowling tournaments. Also joined the Y and walk there 3 times a week. They are planning a short trip to Peoria as there are some Christmas lights worth looking at. She still comes home one weekend a month and we both enjoy that. She will enjoy it even more when she comes for Christmas as I have a two month old black schnauzer. Her name is Sophie and she is so cute.

Son — Jim and Cheng Shing are doing well. Lisa is a junior at MIT this year and Stephie will graduate from highschool in May. Jim will be here for a few days next week. He usually gives my computer a going over and shows me how to do a few things. They call often.

I am still a church trustee. We have our church in quite good shape. Having said that, something big will probably go wrong soon. We need some new lighting in the entry ways but give us a little time and it will be changed.. Last year brought new landscaping all around the church and parsonage.

My biggest blessing was having my sister Karen, come this fall. She had been ill and couldn't drive that distance and I was in the same fix. We had a wonderful week together. She helped with our church Bazaar and we spent some time with Richards'. Also drove down and took Julie out for dinner as she loves to see her aunt.

Well, Sophie wants out of her pen and it is time to let her run so Bye Bye for this year.

Love, Arlene (ILER) SMITH

I appreciate the info you send.

Mary "Betty" Eyler Kephart writes from the kitchen table of June Snively Parsons '39, who lives in Albuquerque, N.M. Betty and son, John, flew to the University of Houston for a meeting of the National Convocation of the United Methodists in Music and Worship Arts. Betty visited in Houston with Vince and Louise Brosius Hurd '41. While in Texas, she visited Austin, Sunrise Beach, the LBJ Ranch in Johnson City, Dallas and the Meyerson Auditorium that Bob Burke '39 had mentioned. She then spent a week with a daughter in Santa Rosa, Ca., and returned home in early August. With July Bucknell World in hand, and her hosts still sleeping, she said she read that issue cover to cover and spoke with great enthusiasm for the survey courses instituted by Dr. Homer P. Rainey.

Creating the Miracle -PICTURE

Although twin brother and sister Braden and Madison Eyler of Orrville were only born October 16, they have already develop distinct personalities of their own says mom, Amy Eyler. "OBraden is more laid-back. And Madison is the feisty one," said Eyler, a registered nurse in the Mother/Baby Unit at Summa's Akron City Hospital.

The twins, like their three-year-old brother, Ian, were conceived as a result of in vitro fertilization (IVF), a process Eyler and h husband, Robert (a paramedic and firefighter for the city of Wooster), said gave them the opportunity to be parents.

Tall Cedarism was born in Reading on the night of April 14, 1914 when 31 Masons gathered at 18 S. Fifth St. and listened to Frank B. Burroughs, Junior Deputy Supreme Tall Cedar, of Lancaster describe the benefit of a Tall Cedar Forest to take care of social activities of Masons in Reading and Berks County. The cardinal principles of fun, fellowship and frivolity struck a response chord, and it was decided to form a committee to make proper arrangements.

Mr. John C Eyler, was elected chairman of the first meeting, then it was followed by a round of get-together meetings to effecta Forest in this city. At the proper time, officers were elected, namely:

James C Eyler, *Grand Tall Cedar*
C. C. Long, *Senior Deputy Grand Tall Cedar*
C. G. Bergerdahl, *Junior Deputy Grand Tall Cedar*
T. G. Hollis, *Treasurer*
C. W. Buggy, *Scribe*

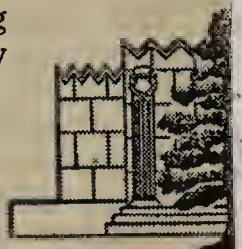
The Executive Committee was composed of E.L. Anthony, H. Franklin Brossmen, W.S. Moyer, C.L. Rolland and E. Clinton Weber.

Thrity-one members were present at the first meeting and were the charter members.

They were the elected officers and E.W. Meinhart, C.F Geiger, Harry Reigal, Herbert Hamm, Geo. Ermentrout, B.S. Keim, Harry Hawk, Harry Hammond Jr., F.Y. Kitzmiller, Edwin F. Miller, Benjamin Keim, Charles W. Swoyer, Walter McCauley, John Gould, W.F. Bush, Walter Fegley, Charles Baisch, Henry Fry, W.E. Haesseler, Jacksson Dehart, L. R. Dunkle and Frank Sherry.

Then, on May 14, came the big night for Cedarism in Reading when special trains from Atlantic City, Chester, Newark, Camden, Lancaster, Philadelphia and Lebanon pulled into the Outer Station and the visiting members paraded the main streets to let everyone know that a Tall Cedar Forest was going to be planted and instituted at Rajah Temple for the Masons of this community.

There were 146 Masons initiated on this evening. After the meeting, a banquet was enjoyed, with bands and drill teams of the various visiting Forests adding pomp and glory to the affair.



This auspicious occasion was the forerunner of hundreds of good times for Tall Cedars, their wives, sweethearts and families, because a Tall Cedar year was not complete unless picnics were held for the children, banquets for the members, shows and visitations.

The ensuing years showed a steady growth in membership with a slight pause for the period during and immediately following World War I. Historical records for this period are no longer available because of a fire that destroyed them.

During the period of the Roaring '20s, big strides were made in membership and activities. Atlantic City was becoming the convention site of choice, when voted on at the sessions which are held at each convention. Neversink Forest was a Forest with great influence in the world of Tall Cedarism. Two of our members were elected to the exalted position of Supreme Tall Cedar: William W. Wurts in 1920 and H. Franklin Brossman in 1929.

The stock market crash in 1929 took its toll within this Forest. Membership declined because of the drop in the economy which affected all fraternal groups. But, those who stayed on still enjoyed the same fun, frolic and fellowship. Conventions were still held annually, but attendance was down.

The next decade saw us entering into WWII. The growth of Tall Cedarism came to a virtual stop, with our young members entering military service and potential members not being available. However, Tall Cedars throughout our area were involved in the war effort wherever they were needed, i.e. air wardens, Red Cross work, collecting scrap metal etc. for the defense industry and some of our own converting their companies for war material.

At the end of the war, with the men returning home and great influx of new members were realized with the increase of Free Masonry membership. After nearly a decade of holding "our own" we were on the move

again. Participation in all events especially conventions. The newer members along with their families used our annual conventions as a family vacation, since they were held frequently in Atlantic City during this period our Forest was again honored by one of their own being elected Supreme Tall Cedar Fred Woerner served in this position for the years 1944 and 1945. As the decade ended, our membership reached a total of nearly 1200 members.

During this period of our history we revitalized a concert band that had equals in the Tall Cedars of North America under the direction of William Levan. This musical organization had 50 members. They would go on the to record their music and let everyone enjoy the "Sousa sound."

The decade of the '50s began with great expectations for Neversink Forest. Again our members were called to arms during the Korean War. Many were recalled with their reserve or national guard units. The Forest kept growing and it was in 1951 the Tall Cedars of Lebanon of North America choose a charitable objective: Muscular dystrophy. We joined the family of MDA with its first major fund raising drive, which was led by Jerry Lewis renowned comedian and entertainer. We have been with Jerry and his kids since the beginning, long before the big corporations joined. To this day, you will always see Tall Cedars on the Telethon and in front of stores giving roses for your donations to MDA. Since our affiliation with MDA, we have given in excess of $18 million to research.

The decade of the '60s showed membership levels remaining constant. However, with the increase in home entertainment and family activities attendance at meetings was on the decline. Many of our younger members have children engaged in school activities. One of our creeds is family first. During this period there were new units created to fulfill the needs of the member. A motor corps was formed and participated in parades and drill competition. They rode their "Yamahas" to many first-place trophies. We had had a clown unit but they changed to the Frolickers, which was clowning without dress and make-up. There was also a Ranger Unit that was formed when the Forest was first chartered. They too won many awards for their drilling and appearance in parades. Thus, as this decade came to pass, we were more determined to maintain activities for all so we had steak fries, clambakes and, of course, our infamous family picnic thus maintaining our creed of fun fellowship and frolic.

The '70s entered with our start in decline of membership, like all fraternal organizations. The new demands of home life were taking effect. However, we still maintained a grip on it and made some strides. Our conventions were just as hardy and full of fun and frolic, we saw the last of Atlantic City as our convention site with the coming of the casinos. The favorite spot now was Virginia Beach, Va. We were still taking three busloads of members and families when we went. During our stay at the "beach" the concert band would put on a Friday night concert and our Pretzel City Jazz Combo would also perform.

At the start of the '80s, the Forest traveled to St. Catherine day parade and festival in St. Catherines, Ontario, Canada. After which the Forest spent the weekend in Niagara Falls. Through the '80s and the '90s the Forest took part in every mid-winter conference and convention. These were held at various locations in the eastern part of the United States. The Ranger Unit started an annual bus trip to locations in the Northeast for fund raising and fellowship.

As we went into the new millennium, we saw our Forest move from its location in center city, in the Rajah Temple, because of the impending sale of the building to the Reading Civic Center Authority. This ended a 40-year association with our brother Masons, the Shriners. We relocated to the Lincoln Park Fire Company after an extensive search for proper facilities. A two-year lease was signed and started, we hope, a long relationship with our new landlords. With the move we saw some increase in membership and return of older members at our meetings. We are forever striving to increase our fold and we will be around for another 100 years of fun, frolic and fellowship.
